The Modern Mobile Office

With Zirkona Sweden mounts, it is easy to upgrade commercial vehicles to mobile offices with a focus on flexibility, safety and ergonomics. Our product line consists of a range of pre-fitted stands and a component system called Zirkona Joiner which can be assembled to fit every unique need.

Depending on the make of the car, the stands are mounted in various ways to create the best possible work environment. Zirkona's products can be used to mount both laptops, tablets, and displays with the unique flexibility to easily adjust, and fit every driver's need.

Zirkona Joiner System

The Zirkona Joiner System offers endless possibilities to create unique mounts to fit every condition.

The patented ball and joint mount (Zirkona Joiner) provides flexibility and sturdiness to cope with the toughest environments.
